

Allan Zimmerman, R.Ph., MBA

Allan Zimmerman is president and chief executive officer of Navitus Health Solutions. He has more than 25 years of leadership experience in pharmacy management and managed care.

Prior to joining Navitus, Zimmerman served as senior executive vice president with National Prescription Administrators (NPA) in East Hanover, N.J., a privately held independent pharmacy benefit management company that served more than 7 million members nationwide. During his tenure with NPA, Zimmerman was responsible for the company's marketing, industry relations, professional and vision services, and data administration.

Before this, Zimmerman was president of Prudential Pharmacy Management, which was affiliated with Prudential Insurance Company of America in Roseland, N.J.

Earlier in his career, Zimmerman worked with Prime Health (Humana Health Care Plans) in Kansas City, Mo., as director of pharmacy programs and special assistant to the president and CEO.

Zimmerman is a registered pharmacist and a past president of the Academy of Managed Care Pharmacy. He holds a master's degree in business administration from Rockhurst College and a degree in pharmacy from the University of Nebraska.
