

Microsoft Internet Explorer window showing the e.thePeople website. The address bar displays [http://www.e.thepeople.org/poll/19545/view?s_a=res](http://www.e-thepeople.org/poll/19545/view?s_a=res). The page content includes a navigation menu with links for Conversations, Polls, Petitions, Letters, and Help. The main section is titled "Poll Results" and features a poll question: "Should the nominee of the Libertarian Party of California for a seat in the U.S. Senate, Judge Jim Gray, be allowed to participate in the August 10th televised debate being sponsored by the California League of Women Voters?" (282 votes). The poll results are as follows:

Response	Percentage
Yes	88 %
No	12 %

Total Votes: 282

Related Article: "Should freedom to use a podium only belong to those who own one?"

The right sidebar contains a search box and sections for "ASK YOUR OWN" and "YOUR POLLS". The taskbar at the bottom shows the Start button, several open windows, and the system clock at 7:17 PM.
